TROY KING, et al., :

Defendants. :
----- X

JOHN F. KEENAN, United States District Judge:

In a letter to the Court dated February 10, 2009, Plaintiff requested, among other things, that the Court order Defendants to produce deposition transcripts from the NPM adjustment proceedings, including that of Defendants' expert Dr. Gruber. The request is denied as untimely. Magistrate Judge Eaton had closed both fact and expert discovery prior to this request.

SO ORDERED.

Dated: New York, New York

February 11, 2009

JOHN F. KEENAN

United States District Judge
